

Since 2004

Miles of Hope Breast Cancer Foundation has been dedicated to helping people affected by breast cancer within the 9 counties of the Hudson Valley for over two decades. We reflect on the positive changes we've brought to countless lives. None of this would be possible without the support of businesses, generous individuals and community members like you.

Why Support Miles of Hope?

- We deliver financial assistance to breast cancer patients in treatment who need help with costs not covered by insurance.
- We provide programs and services aimed at filling the gap between what is offered to breast cancer patients and what is forgotten.
- We support high school seniors whose lives have been affected by breast cancer with college scholarships.
- We fund programs like acupuncture, massage therapy, music, dance, and art therapy for people in treatment for breast cancer.
- And, we host events that encourage women to get into shape and embrace a healthy lifestyle with friendly competitions in women's sports tournaments.

Over \$4 Million

granted to individuals and their families, programs and services in the Hudson Valley

Help Us Keep Making a Difference

Your contribution to Miles of Hope ensures that we can continue to make a meaningful impact in the lives of those affected by breast cancer. Your support will:

- Provide financial assistance to individuals undergoing breast cancer treatment.
- Fund educational programs to raise awareness and promote early detection.
- Offer emotional support and counseling services to survivors and their families.

Come Together

Join our events throughout the year. Follow us on social media and check our website for local events, daily updates, and more information!

Our 3 main events:

Annual Spring Brunch –
First Sunday in May

Goals for Hope
